

*Annual Report
of the
Municipal Officers
Town of Mount Vernon*

Year ending June 30, 2017

Dedication

This year's town Report is dedicated to George Smith, not for his deeds and accomplishments, well known throughout the State of Maine. It is for his dedication and love for the Town of Mount Vernon, serving on the Board of Selectmen or raising money for the new library, he is always in the lead. His dedication to do the best for Mount Vernon has brought many benefits to this town. The most inspiring is the help he has provided for a new and fantastic library addition that will benefit the citizens of Mount Vernon for many years to come.

Table of Contents

Athletic Committee.....	21
Board of Appeals.....	22
Auditor's Report.....	40-48
Beach Information.....	6
Beach Committee Report.....	15
Cemetery/Town Lot Reports/E911.....	18-20
Code Officer Report.....	16
Community Center Report.....	10
Fire Department Report.....	11-13
Food Bank Information.....	5
Library Report.....	17
Municipal Hours of Operation.....	5
Ordinance Review Report.....	15
Planning Board Report.....	22-23
Reference Numbers/Emergency Numbers.....	4
Rescue Report.....	13-14
Road Commissioner Report.....	18
Select Board Report.....	9
Superintendent Report.....	23-24
Tax Collector/Town Clerk Report.....	27-39
Town Officers/Committee Members.....	7-8
Town Warrant.....	50-56
Treasurer's Report.....	25-26

Reference Numbers

Mount Vernon Town Office

Telephone.....293-2379
Fax.....293-3507

Animal Control Officer

Kevin Wheeler.....778-1815

Assessor's Agent

RJD Appraisal.....293-2379

Code Enforcement Officer

Andrew Marble.....293-2636

Community Center

Reservations.....293-4270

Dr. Shaw Memorial Library.....293-4578

Fire Department.....293-2565

General Assistance.....293-2114

Health Officer.....293-2532

Mt. Vernon Elementary School.....293-2076

Mt. Vernon Post Office.....293-2261

Transfer Station.....293-2701

.....485-1425

Burn Permits

Burn permits may be obtained by contacting Dana Dunn at 293-2228, or at the Mount Vernon Country Store at 293-2202

Emergency Numbers

Maine State Police.....1-800-452-4664

Mt. Vernon Fire Department.....911

Mt. Vernon Rescue.....911

Kennebec Sheriff's Department.....1-800-498-1930

State Warden Service.....1-800-292-4736

Winthrop Ambulance.....377-2226

Notice to all dog owners

All dogs MUST be licensed by age 6 months and re-licensed every year on or before January 31. A \$25.00 late fee will be applied to all dogs on or after February 1. Presentation of a spaying and neutering certificate entitles the owner to a reduced fee.

More Information

Town Office Hours of Operation

Monday.....	7am–3pm
Tuesday.....	9am–3pm
Wednesday.....	7am – 1pm
Thursday.....	9am – 3pm
Friday.....	Closed
Saturday ~ Open the fourth Saturday of each month 9am-Noon	

Selectmen Meetings

Every other Monday 7pm at the Town Office.
selectboard@mtvernonme.org

Mount Vernon Website
<http://www.mtvernonme.org>

Transfer Station & Recycling Center Hours of Operation

By permit only available at the Town Office

Saturday.....	8:30am - Noon
Sunday.....	8:30am - Noon
Memorial Day through Columbus Day open Wednesdays 3 pm – 7 pm	

Food Bank Hours of Operation

Saturday	9:30am - Noon
----------------	---------------

Located at the First Baptist Church in the Village
After hours contact
Helen Wilkey at 293-2351

Community Center

The Community Center is available for usage/rental for private and public functions.
There is a \$25 returnable cleaning deposit for all functions and a minimal charge
for private functions.

Town Beach

Beach is closed 11pm to 5am

**Children under the age of 10 must be accompanied by someone 18 years or older.
NO LIFEGUARD**

Rules

In addition to Maine State Laws, the following activities are prohibited:

Overnight camping
Importation and deposit of household waste or refuse generated off the beach premises in
containers supplied for control of beach generated waste.
ANY and ALL pets
Parking on the beach or in the fire lane
Use of glass containers
Absolutely NO alcohol
Smoking is prohibited within 100 feet of the water
All fires
Pushing or running on the docks
Swimming under the docks
Soap or other cleaning agents
No bikes on the beach
Such other activities as deemed necessary by the Selectmen

Please Note: This ordinance may be enforced by any duly authorized law enforcement officer, as well as other individuals specifically designated by the Board of Selectmen. The hours of operation shall be enforced under the “Criminal Trespass” provisions of MRSA Title 17A.

TOWN OFFICERS

Select Board

Chairman, Paul Crockett
Clyde Dyar
Sherene Gilman

Cemetery Sexton

Robert Grenier

Civil Defense Director

Heather Roberts

Planning Board

Chad Dwelly, John Hagelin,
Nate Kane, Ron LaRue,
Brett Trefethan,
Fred Webber, Jeff Wiles

School Board

Patricia Jackson, Malcolm Hardy,
Lucas Rumler

Select Board Report

One of the remarkable things about this town is that we have somehow managed to keep the town running forever without having to hire any fulltime staff or high-priced town managers. How do we do this? Well we have awesome volunteers in Mount Vernon. We have numerous boards and committees with incredibly engaged residents (and sometimes non-residents). This engagement by residents, along with your elected officials, helps keep our costs down. As taxpayers know, the school related budget usually represents between 65 and 70% of your overall tax bill. Our continued focus on efficient administration of all the non-school municipal expenses goes a long way to hold the line of taxes on those things that we have more direct control over.

Of course, all this holding the line on municipal expenses is tempered by the needs of residents to receive the levels of service you need as well as by the constant realization that we struggle to maintain our roads without massive increases in spending. We understand, from survey responses to some recent comprehensive planning work, that folks really appreciate the rural character of the town. I guess we can all agree that we have rural roads .

The Select Board always encourages folks to contact us with concerns, come to meetings (or watch on YouTube or local cable), and by all means join us at the annual town meeting where we vote on budgets and other important articles. Additionally, we encourage you to attend RSU 38 budget meetings and the annual vote on the RSU budget. Again, the local support of the schools represents most of your tax bill.

For 2017 we were lucky to have the same team in place for the budget committee. Trish Jackson joined the select board while Sherene Gilman transitioned over to chairing the budget committee and serving on the CPC (Reference <http://www.mtvernonme.org/Documents/CPC.pdf> for more about the CPC). We really appreciate the continued budget committee efforts of Sherene, Katie Farrin, Mac Hardy and Brad Jackson, along with our treasurer Marti Gross.

In 2017 we recruited and appointed numerous people to a variety of boards and committees including the RSU 38 board, athletic committee, appeals board, planning board, events committee, etc. As always we appreciate all the citizen volunteers.

In 2017 we took delivery on a new fire truck. We have a well-established 10-year purchase plan on the three main firefighting trucks that yields 30 years of service per truck. So, this replacement cycle is predictable from a budget perspective.

We have seen costs inch up a bit at the transfer station. We really encourage everyone to recycle as best you can. We pay about 1/3 in tipping fees for the recycling dumpster as we do for trash and construction debris. This is a way for you to have a direct impact on your tax bill.

Another project the select board took on in 2017 was to bring on a new contract assessing company. RJD Appraisal was actually our “old” assessor, having worked for our town for many years previously. We also engaged a local draftsman, Andy Dube, to update our old 1964 tax maps so all new roads and subdivisions would be on the maps. Soon we’ll have all the tax maps available on the town website. We had a transition for the code enforcement officer as Richard Marble retired and we hired his son, Andrew Marble to take over. For all these positions, the institutional knowledge of our town cannot be underestimated.

Your select board always welcome the public at our bi-weekly meetings and we’d like to remind you that we’re on cable TV on channel 1301, both live and recorded. Many of the select board meetings have been uploaded to YouTube as well. Just look on the town website for links; <http://mtvernonme.org/> While you’re there, note that we also keep a calendar of various board meetings, office hours, etc.

On behalf of the Select Board,
Paul Crockett, Chairman

Report from the Mt. Vernon Community Center

The Mount Vernon Community Center is a town building dedicated to use by area residents and maintained by the efforts of the Board of Trustees. The Trustees meet the first Wednesday of every month at 7 p.m. and we welcome visitors with ideas and suggestions. We also welcome new members to our Board or new chefs for Saturday Morning breakfasts! Our current members are Linda Stanton, Katie Farrin, Anna Libby, Tom Ward, Donna Williams, Jane Rogers, Pat Rawson, Kirsten Heck, Janet Roderick, June Cauldwell, and Tammy McLaughlin.

The Community Center is glad to host a variety of events throughout the year to raise funds for the maintenance of the Community Center and to provide activities for the community. The funds support capital improvements to the Community Center, and many projects are planned for the upcoming year. This past year, these events included:

- Community Dinners: This past year the Community Center hosted community dinners including an International dinner and a Soup-er Supper. These events provide delicious food and fun to our communities.
- Arts and Crafts Fairs: We hosted two arts and crafts fairs this past year - one over 4th of July weekend, and another the Saturday following Thanksgiving. Many area artisans and crafters sell their wares and the community welcomes a chance to support their efforts.
- Tree Lighting: The first Saturday of December brings a lovely celebration at the Community Center when we host a tree lighting followed by holiday treats, stories, and the arrival of Santa Claus.
- Saturday Morning Community Cafe: Most Saturday mornings, the Community Center is open from 9:00 until 11:00 for a community breakfast. This is a great way to meet others in your community and keep informed of town news. The Community Center trustees and other volunteers take turns hosting this event. This year, we have invited other community groups to host breakfast as well to raise funds for their causes as well.

In addition to events organized by the Board of Trustees, the Community Center is used by many community members for meetings and activities. We are pleased that the space is such a resource and are glad to host events and clubs such as: the Girl Scouts, Global Girls, yoga classes, Planning Board meetings, elections, watershed association meetings, Tuesday breakfasts, benefit concerts, toddler play groups, Camp Bearnstow's summer dance workshops and more.

The Community Center is also rented regularly for private functions such as birthday parties, baby showers, weddings, and more. It is an ideal space for these types of gathers and is available to community members for a minimal fee. The Trustees have been pleased to see an increase in the amount the Community Center is used throughout the year.

Thank you for your continued support.

Respectfully submitted,

Anna Libby
Secretary, Mount Vernon Community Center Board of Trustees

ANNUAL REPORT FOR THE MOUNT VERNON FIRE DEPARTMENT

In daylight or darkness, whatever the weather, asleep, at dinner, at work or at play, the tone goes off, the cell phone text appears and everything stops, until...the response 10-8, en route to (incident location).

Fire trucks, private vehicles, and rescue units from Mount Vernon, Vienna, Wayne, Readfield, Fayette, and Manchester respond to one of those towns to assist at someone's emergency. An ambulance and/or Life Flight helicopter might join them. It could be a chimney fire turning into a structure fire, a vehicle fire near or in a structure, a flood; an electrical, furnace, or gas malfunction; a car accident requiring extrication, fire suppression, or CMP line complications; grass or woods fire, ice or water incident, Life Flight landing zone setup, a Rescue assist, or one of many other emergencies

The national requirements for firefighters and EMTs are the same for large, small, private, municipal, union, or volunteer members. The training, testing, and paperwork are required, before a responder is able to respond to any emergency call. The training this year beyond the usual monthly or yearly requirements included Parker Pond Dam collapse, Forestry Fire procedures and tools, Compressed Air Foam Systems, Pumps (basic and advanced), Meth labs, CMP electrical safety, Driver training, and our yearly Super Saturday; where we spend the day with our Lakes Region Mutual Aide partners learning the core requirements from BLS (Bureau of Labor Standards). Also a Firefighter 1 & 2 class is planned.

Outside the response and training time we do public relations and awareness. We assisted the Travis Mills Foundation, the Loon Lap runners, the Halloween Trick or Trunk, First Aid for Scouts, Flag display, the Memorial Day Parade, and the Fire Prevention Program at our local elementary school.

Trucks, buildings, and equipment have to be inspected monthly, including hoses and ladders yearly. The stations and trucks must be cleaned and maintained. We are finishing the additional work on Station 2, and a fire truck has joined the Rescue Unit in living there. The new Engine 51 has arrived and is being loaded ready to work. The previous Engine 51 and the older Engine 1(1954 fire truck) have been sold.

New members arrive, are trained, and added to the roster. Todd Dunn has returned after a leave of absence. It is sad to see long-term members leave. Cameron Weaver, a long-time member, has moved from town. Tony Dunn, who rose from a thirteen-year-old Junior Firefighter to the position of Deputy Chief, has resigned.

We have extrication tools on unit 52 and have added a second set on unit 56; and a three-bottle Cascade System to Station 1.

Each year we grant a scholarship to a Mount Vernon student graduating from Maranacook Community School; these funds are provided by the Mount Vernon Fire Company and money recieved by "in memory" donations. This year we awarded two \$1000 scholarships to Elizabeth Rice and Bailey Stockford.

Do you ever watch the trucks go by or hear the sirens and think "I could do that"? Why not try? Maybe you have the skills and talents we need. Ask any fire or rescue member to tell you how to help your fellow townspeople.

If you dial 911 you will be answered by a dispatcher at Somerset PSAP, who will relay the important information you provide to Winthrop Dispatch. Winthrop will then alert the local firefighters and/or rescue members via pager, radio, and text. It is important to tell them your name, address, type of emergency, town, the location of the emergency, and the phone number you are calling from. Please remain on the phone until the dispatcher says you may “hang up”. **COMPLETE INFORMATION IS VERY IMPORTANT FOR A QUICK RESPONSE.** To help us find you quickly, a large, clearly visible house number will point out the right place. Can you see and read your house number clearly as you arrive from both directions to your house?

I wish to thank the members of the Mount Vernon Fire and Rescue Units for always being there and doing an outstanding job. My thanks also go out to our Select Board, Mutual Aide Partners, Winthrop Ambulance Service, Life Flight, Somerset PSAP, Winthrop Dispatch, Kennebec Sheriff’s Officers, Maine Forest Service, Maine Warden Service, and the officers of the Maine State Police Department.

We especially appreciate the generosity, support and cooperation we receive from the residents of Mount Vernon.

Mt. Vernon Rescue 2017

Rescue responded 166 times during 2017. One hundred and four patients were transported to hospitals. Seventy-eight of these were transported by Winthrop Ambulance Service, 25 by Northstar, Farmington and one by Lifeflight. Of the 104 individuals who did go to hospitals, 74 went to MGMC, 26 to Franklin Memorial and four to CMMC (Lewiston). Our busiest month was July (25 calls) and our busiest days tended to be Fridays (28) and Sundays (22). We were called out 98 times during the daytime shift (6:00 AM-6:00PM) and 68 times during the night shift (6:00PM-6:00AM).

Calls by chief complaints:

Medical	50	Carbon monoxide alarm	4
Respiratory	21	overdose	3
Falls	17	Assault	3
Fires & fire alarms	12	Stoke	3
cardiac	11	Allergic reaction	2
Car accidents	7	Unattended death	2
Medical alarms	7	Assault	2
Cardiac arrest	4	Seizure	2
Diabetic	4	Unresponsive	1
Trauma	4	Cancelled en route	7

Our numbers are currently at ten. Lisa Whitney successfully completed the rigorous Advanced EMT course. She is also working for Northstar Ambulance and Steve Booth and Denise Sprague are

working with Winthrop Ambulance. The emergency care they experience while working for full time transporting services provides us and our patients with invaluable information.

EMTs are required to relicense every three years. In order to accomplish this, each member needs a total of 52 continuing education hours in specific categories; Preparatory/Operations, Airway, Breathing, Circulation, Assessment, Medical, Trauma, Obstetrics/Pediatrics, and Basic Life Support Skills. To help achieve this, our monthly training sessions are always submitted for credits. Our training officer, Roger Scott, is responsible for setting these sessions up. He looks at what training needs the Unit has and coordinates those with the seven required categories. Among our trainings this past year were Cardiovascular Emergencies, OB Emergencies, ATV Rescue with the mutual aid fire departments, Drowning, Moving Patients, CPR, Patient Extrication and Bureau of Labor Standards Annual Safety Training and Blood Borne Pathogens. We also meet with our medical director, Dr. Dan Onion every three months to review runs.

We purchased two Binder Lifts this year. These are devices that wrap around a patient and enable us to lift the individual safely, smoothly and quickly. We used these three times shortly after we bought them.

At a time when many small towns have lost their First Responder services, Mt. Vernon and Vienna have benefitted from a dedicated, professional and knowledgeable group of individuals who provide emergency care. I am happy to say that we've been able to hold our budget with no increases for the last few years.

We meet on the second and fourth Thursdays of each month. Our membership is currently open and anyone interested in learning how to become a member of this exemplary team should drop in to a meeting or contact any Rescue member.

There are many agencies and individuals we work with who help make our job easier and help to keep us safe; our own Mt. Vernon firefighters, Vienna and Fayette fire departments, the Maine State Police, Kennebec Sheriff's Deputies, the Maine Warden Service and Lifeflight of Maine.

Thanks to all of you for your confidence in us and your kind words and notes of appreciation.

Respectfully submitted
Patricia A. Rawson, Director

Beach Committee Report

The Beach Committee worked hard to make Mount Vernon's public beach a safe and welcoming recreational spot for the whole community. We hope residents and visitors alike will visit the beach to swim, boat, fish, or just enjoy the beautiful view!

This past year, we again offered swimming lessons in conjunction with the Kennebec Valley YMCA. More than forty children participated in the program, and feedback was uniformly positive. This year's lessons will run for six weeks, beginning on July 9th.

The beach also hosted the Farmer's Market on Saturday mornings, and welcomed vendors from the Community Center craft fair and Memorial Day festivities. There was a bonfire in December as part of the Christmas Tree lighting festivities. We coordinated with the Community Center to explore creating a rest room and changing facility. And Mount Vernon Girl Scout Troop #2096 celebrated Earth Day at the beach with an ecology lesson and spring clean up. Thank you, girls!

In collaboration with the town board and the Community Partnership Corporation (CPC), we nearly completed work on the new boat launch. Boat access was moved to the opposite side of the beach, improving both safety and functionality. Many thanks to Sandy Wright and Jen Jespersen of the CPC for shepherding this project, as well as architect Art Grindle and Scott Horne of Horne Construction for their wonderful work. And we are especially grateful to selectman Clyde Dyar, as without his persistence and savvy the boat launch would still be just a nice idea!

Respectfully submitted,

Beach Committee Members Patricia Jackson, Kelly O'Neil, and Gerhard Von Hauenschild

Report from the Ordinance Review Committee

This year, at the request of the Selectmen, the Committee reviewed a food sovereignty ordinance, considered a clarification of the land use table, and drafted an amendment to the fee section of the Land Use Ordinance that gives the Selectmen the authority to amend the fee schedule. The Committee will be holding a public hearing prior to finalizing proposed changes for consideration at the June 2018 Annual Town Meeting.

Respectfully Submitted, Quimby Robinson, Dick Watson, Fred Webber, Ron LaRue, Michele Pino, Heather Roberts and Susan Herman

Code Office Report

For July 1, 2016 to June 30, 2017

Richard Marble, the Towns long standing Code Enforcement officer of nearly 20 years, retired in 2017. During his tenure working in Mount Vernon, Richard made a number of friends and acquaintances here, as evidenced by the sheer number of folks stopping in to say hello and pass their best on to him. In fact, barely a day has passed since his retirement when someone hasn't poked their head into the office simply to say "How's your father doing?" or "tell your father so and so says hello".

As the Code Enforcement Officer in a number of surrounding Towns (and Richard's son....), I was fortunate enough to take over Richards role in Mount Vernon after his retirement. Over the past year, I have truly enjoyed getting to know the people and landscape of this unique community, and look forward to meeting more of you in the coming years.

There were a total of 56 permits issued from July 1st 2016 to June 30th 2017, which was up by 12 permits from the year before. While overall permits were up, new houses and mobile homes were down slightly from the same period a year earlier. In total, 10 new home and 4 mobile home permits were issued, which is down from the 11 and 8 issued the previous year (respectively). The increase in overall permits is likely a result of the high number of sheds and garages which were permitted, totaling a whopping 25.

If you're thinking about building this summer, please feel free to contact me to discuss your plans. Whether it's putting up a new shed to add a little storage, or building an addition onto your existing home, I'm more than happy to help you navigate the permitting process to get you off and running.

Looking at plumbing permits in Mount Vernon, a total of 20 internal plumbing permits and 19 subsurface wastewater permits were issued from July 1st 2016 to June 30th 2017. Probably due to the uptick in new homes (as mentioned above), this number is slightly higher than the previous year.

Speaking of plumbing, home owners should keep in mind that pumping your septic tank once every 2-3 years is one of the best insurance policies you can have to avoid costly septic repairs. Considering the cost of replacing a malfunctioning leach field (\$4000 and up), pumping a tank every 2-3 years for \$200-\$300 is money well spent!

Finally, residents are reminded that I can be reached at the Mount Vernon Town Office on Tuesdays from 8-4, or by sending an email to MtVernonCEO@gmail.com. I look forward to hearing from you!

Respectfully submitted

Andrew Marble

Dr. Shaw Memorial Library Annual Report for Mt. Vernon for 2017 Year

Our exciting news for this year is that our renovation has begun, with an anticipated completion date by this summer! We have been able to house our entire collection in various rooms at the library, which enables us to continue to provide access to materials throughout the building process. Admittedly, we are a bit cramped, and physical access into the building is a bit compromised, but we are also flexible, ready and willing to get books and materials to patrons if they can't get to the library. Just email us (drshaw@shaw.lib.me.us) or give us a call (293-2565).

We continue to be a busy and active place, where lots of socializing and exchange of information takes place regularly. A patron may rush in to grab a movie, a family might meet to organize a play date, or someone may come in and spend a quiet hour catching up on magazine articles or delving into a new book in one of our comfortable rocking chairs.

Last year we had 16 programs, 8 for adults, and 8 for children. We have continued to cosponsor with various organizations such as the Community Center in Mt. Vernon and the Vienna Grange, not only as a way to get out into the community but also as a way to expand our current limited space for groups. Programs included the annual Summer Reading Program for kids, Tax Help Days, Holiday events for children, Bird Watching, Poetry Reading, Shared Story Telling, and White Lions in Africa. 342 people attended these various programs.

DVD's, audiobooks, books for all ages, magazines, computers, copier, and printer--all are available for public use. Over 11,000 materials circulated last year by our 801 registered patrons. If we don't have what you want, we can request books from other libraries, either by specific title, author, or subject. E-books and audiobooks can be downloaded from the Maine State Library website by using your library number, assigned when you fill out a library registration card. Almost 15,000 downloadable units are available through this service. All services at the library are free.

We try to keep news up to date on both our FaceBook Page (Dr. Shaw Memorial Library) and our website (drshawlibrary.org). The library catalog can be accessed from both the Mt. Vernon Website link to our library or through our website.

Our holdings of over 13,700 print materials, 678 audios, and 1,600 videos continue to grow as we held off on weeding this year, knowing that more space would be available to us soon!

If you have never been to the library, please come and take a look! Whoever is on duty, or maybe one of our wonderful volunteers, would love to give you a tour.

Respectfully Submitted,

Alice Olson-Head Librarian

Librarians: Anne Brooks, Mary Anne Libby

Library Trustees: Shari Hamilton, Kathleen Kelley, Dorcas Riley, George Smith (Chair), Fred Webber

Hours: Monday 3-6, Wednesday 9-12 and 3-7, Saturday 10-3

Road Commissioner Report

Here we are at the end of another fiscal year and if anyone has kept track of us you would have seen us all over town trying to stretch our tax dollars as far as we could. Here's a small overview of some work that has been done.

- We put new culverts, ditched, and put an overlay of pavement on the Church Road
- Ditched, road constructed, and reclaimed pavement on Fogg Road
- Ditched and road constructed on the north end of the Ithiel Gordon Road
- Graded and added gravel to all dirt roads

The wind storm in October really put us to the test and cost A LOT. We hope to recoup some from FEMA.

I want to thank the board of selectmen and all of the town's people for their support.

Respectfully,
Lee K. Dunn

Cemetery Report

One of our goals has been to rid dangerous trees in or near our cemeteries. This year with the help of the Selectmen and Road Commissioner we were able to remove three large trees in front of the Philbrick Cemetery on the Blake Hill Road. The new wood fence at the Spring Hill Cemetery was painted. Brush was cut and removed from the Community Cemetery. Signs were placed at each of our Cemeteries so they are easy to find and identify.

Cemetery lots are available at the Community Cemetery located at the corner of the Bean Road and the North Road. See the Town Clerk for pricing and lots available.

E 911 Reports

Most of our time now is spent either assigning addresses to new homes on existing roads or adding new roads. If you know of an elderly person or someone with health issues who needs a number prominently shown at the road let us know so we can get one posted for them. If you have any questions about your address please call me at 293-2783 or the Town Hall.

Respectfully Submitted,
Robert Grenier,
Addressing Officer

Report from the Athletic Committee

The Athletic Committee would like to thank the community for your continued support toward another successful year of sports participation in Mount Vernon. In the 2017 fiscal year we had 80 participants play T-ball, softball or baseball and 65 participants play soccer.

The Athletic Committee would also like to thank the Elementary School for helping parents and children who have questions. We are not affiliated with the Elementary School; however, the school and their cooperation do contribute greatly to our success.

Thanks to all the players for their hard work and positive attitudes and the parents for supporting their children at all practices and games. A special thank you to all the volunteer coaches, many assistant coaches and helpful parents that step up to help out whenever required! Without the volunteers who coach our programs, umpire and referee the games and run the concession stand we would not be as successful as we are today.

Adult Summer Soccer coordinated by - TBD. Adult Summer Softball coordinated by -TBD.

The community athletic fields are located to the right of the Mount Vernon Elementary School and are open to all who wish to enjoy them. Currently the area includes two ball fields with space in between for two soccer fields.

We are always looking for more help and creative ideas on how to make our town sports programs more universal to the entire community.

Find and like “Mt. Vernon Athletic Committee” on Facebook to stay abreast!

Respectfully Submitted,

Jesse Jacobs
Athletic Committee Chair

CC: Jen Jacobs Athletic Committee co-Chair

Mount Vernon Board of Appeals (BOA)

Maine State Law and the Mount Vernon Land Use Ordinances have established a Board of Appeals to hear appeals to decisions of our Codes Enforcement Officer (CEO), Planning Board, and/or other municipal officers relating to applications for land use or building permits. The BOA consists of seven citizen volunteers appointed by the Selectmen. Each of the regular members of the BOA has attended training sponsored by the Maine Municipal Association (MMA).

There are three types of appeals:

- Request for an Undue Hardship Variance
- Request for a Handicap Accessibility Variance
- Administrative Appeal

Applications for these appeals, and instructions including the *By-Laws and Procedures of the Mount Vernon Board of Appeals*, are available at the Town Office outside the CEO/Treasurer's Office in a slot on the wall. If you have any questions, please contact the Codes Enforcement Officer or the Chair of the Board of Appeals.

In 2017 we had two appeals, each requiring several meetings. As of this writing, we have no current appeals. Notices of meetings are generally posted at the Town Office, the Dr. Shaw Library, the Community Center, the Post Office and the local general stores. Beginning in 2018, minutes of our meetings will be posted on the Town Web site.

We wish to thank Dick McKeen for his two terms of service on the Appeals Board. Dick's last term expired in January 2018.

Board of Appeals Members and Term Expiration: Malcolm Hardy (2018), Randall Oakley (2019), Gerhard Von Hauenschild (2020), David Fuller (2021), Scott Herrick (2021), Carl Rogers – Chair (2021), Heather Roberts (2021).

Mt. Vernon Planning Board

The year was moderately busy with a variety of applications.

A previously filed application to open a stone quarry off the Belgrade Road was continued. After lengthy investigation, the Planning Board rejected this application due to residency requirements.

Camp Laurel applied for approval to build a new staff house building. After a site visit and public hearing this was approved.

There were two applications from the Travis Mills Foundation; one was to renovate an existing cottage outside the shoreland zone. This was approved. The Foundation had applied to the

D.E.P. and received approval to construct a special waterside docking system for use by disabled veterans. Voted to approve.

The Board received an application for an automobile garage on the Bean Road. Because the owners reside on the premises, the business was approved after considerable deliberation, a site visit and public hearing.

The Planning Board likes to clarify from time to time what its role and function is in the Town. We review the establishment of new commercial operations and applications for subdivisions. We do not create ordinances, nor do we enforce current ordinances. These responsibilities are conducted by the Ordinance Review Committee and the Code Enforcement Officer. However, the Planning Board is happy to assist anyone with land use questions and to make referrals to the proper authorities.

The Board meets on the third Tuesday of each month at the Mt. Vernon Community Center on the Main Street in the village.

April, 2018

As we reflect on the year to date, and work on the development of the FY19 RSU #38 Budget we celebrate the achievements and successes of our students and our district as a result of the educational and co and extra-curricular offerings that the citizens of the district have provided in previous budgets.

Earlier this year RSU #38 was identified by Niche.com as one of the top ten school districts to live in, in Maine. This rating is based on data from assessment scores, graduation rates, parent and student surveys, and from many data sources. An explanation of this ranking is available on Niche.com.

Another celebration is the continual increase in our graduation rate. The graduation rate for the class of 2017 was 94.74%. This is a tremendous increase from the graduation rate in 2011 of 76.03%, from 80.5% in 2013, 82.11% in 2014, 91.09% in 2015, and was even an increase from last year's graduation rate, 91.96%. A graduation rate of 94.74% is an awesome achievement and is the result of a tremendous amount of work on the part of all the teachers and administrators in our district as we work to continually improve our instruction in order to engage our students.

In addition to district successes we celebrate the many successes of our students this year. For example, members of the RSU #38 Soccer Team were recognized as conference, regional, and state champions. The boys' Nordic Team also earned the state championship. Our girls' Cross Country Team won the

conference and regional championships and the sportsmanship banner. The boys' Alpine Team also won the sportsmanship banner.

Four of our students, Tyler Dunn, Gavin Diou-Cass, Robert Allen, and Hannah Woodford qualified for the National Speech and Debate Association National Tournament representing Maine and Maranacook in Fort Lauderdale in June. In addition, both our high school and our middle school plays hosted sold out crowds this year, and our dual enrollment program at Maranacook Community High School is serving a large percentage of our students. Forty percent of our 9th-12th grade students are participating in dual enrollment classes, and 60% of our 11th and 12th grade students are enrolled in these classes. Four of our dual enrollment students are on track to be awarded both their RSU #38 diplomas and their Associates Degree from Thomas College in June.

The college acceptance season has started and we have had 3 students accepted at Bowdoin as well as students accepted at Connecticut College, Dalhousie, Maine Maritime, Roger Williams, Universities of Arizona, Maine, New England, and Northern Florida, and Virginia Tech, to name a few.

The list of district and student successes goes on and on. Many thanks to the citizens of RSU #38 for supporting our students.

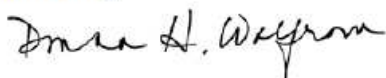

On March 16th and 17th over 70 community members, teachers, administrators, RSU #38 School Board members, and students worked together in a Future Search session that will ultimately result in the development of the RSU #38 Strategic Plan. The group examined the historical events and their impact on the district, identified "prouds" and "sorries", and brainstormed guiding beliefs for moving forward. The guiding question for this work was "How will RSU #38 continue to evolve to ensure that our students are prepared to meet the challenges and opportunities of a changing world?" The purpose of the session was not to problem solve, but rather to explore a vision of what we wish to work toward and become in the future. Data from the Future Search event will be examined and categorized. The next step will be to identify several goals on which to focus the strategic plan. I would like to thank all those who participated in this important event.

I would like to take this opportunity to thank the citizens of RSU #38 for their continued support. These efforts have contributed to the growing successes of our students and our district. RSU #38 offers a variety of opportunities for our students from the strong academic program Pre-K through dual enrollment, to the co- and extra-curricular activities available. The district continues to be a model of "a caring school community dedicated to excellence."

Enrollment data for the District – October 1, 2017 (does not include non-resident tuition students)

**WARRANT FOR THE ANNUAL TOWN MEETING OF THE TOWN OF MOUNT
VERNON**

June 16, 2018

To Amanda Couture, a resident of the Town of Belgrade, in the County of Kennebec and the State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby requested to notify and warn the voters of the Town of Mount Vernon, in said County, qualified by law to vote in town affairs to meet at the Mount Vernon Community Center in said town on Tuesday the 12th of June 2018 from 8:00AM to 8:00PM, then and there to act on the articles numbered 1 and 2. The Town Meeting will be 9:00AM on Saturday, June 16th, 2018 at the Mount Vernon Elementary School to act on Articles 3 through 38.

The Select Board hereby gives notice that the Registrar of Voters will be in session at the Mt. Vernon Community Center on the day of the voting, Tuesday, the 12th day of June 2018 for the purpose of voter registration.

Article 1: To choose a moderator to preside at said meeting.

Article 2: To conduct all state and local elections, for which purpose the polls will be open at 8:00AM and close at 8:00PM.

Article 3: To see if the town will adopt the rules of the “Maine Moderator’s Manual” as the official rules of this meeting.

Article 4: To see if the town will allow the following non-residents to speak at the Town Meeting in order to answer any questions or to provide any other necessary information: Martha Gross and Rachel Meader.

Article 5: To fix the pay of the following town officers and employees as recommended below:

1. Select Board, Assessors and Overseers of the Poor: \$3,744 each, plus \$1,115 for the Chairman, and \$838 for the General Assistance Administrator. Annual Salary: \$13,187.

URIP: Local Road Assistance	<u>\$48,456</u>
Total:	\$521,945

Article 16: To see if the Town will authorize the Select Board to accept State & Federal Funds and Grants not listed in Article 15.

Article 17: To see if the Town will vote to authorize the Select Board to reimburse all town officials and employees for necessary travel at the rate of \$0.44/mile.

Article 18: To see if the Town will authorize the Town Clerk or Deputies to charge a State Rate of \$10.00 for the receipt of checks with insufficient funds.

Article 19: To see if the Town will authorize the Select Board to expend the revenues of Special Revenue funds.

Article 20: To see if the Town will authorize the Select Board to expend the income earned by the Cemetery Trust Funds, Noah A. & Nellie E. Clough Trust Fund, Dr. Gilman Trust Fund, Dr. Shaw Memorial Library Trust Fund, and the Robert George Weis Memorial Fund for the purpose specified for each trust fund.

Article 21: To see if the Town will direct the Select Board to lapse all General Fund accounts to the Undesignated Fund Balance (surplus) at the end of the fiscal year, with the exception of Special Revenue funds, non-expendable trust funds, accounts to be rolled over to designated Capital Improvement Funds, and accounts required to be carried by law, effective June 30, 2017.

Article 22: To see if the Town will vote to direct the Select Board to not authorize any payments that would overdraw an account (a budgeted expenditure), unless the payments are required by law, approved by voters at a Special Town Meeting, or are the result of a natural disaster. Excess revenues are not considered part of the budgeted expenditures voted on at Town Meeting.

Article 23: To see if the Town will authorize the Select Board to issue orders for the closing of roads to winter maintenance.

Article 24: To see if the Town will vote to make property taxes payable, one-half on **September 27, 2018**, and one-half on **March 28, 2019** and that interest be charged on overdue taxes at the rate of **7.0% (or the maximum allowed by State law, if that is greater)** per annum after those dates.

Article 25: To see if the Town will authorize the Select Board to sell and convey property belonging to the Town by reason of matured tax liens, by sealed competitive bids to be opened in public at an announced time, to the highest acceptable bidder, retaining the right to accept or reject all bids at their discretion, after first posting notice of such sales in the same places that Town Warrants are posted. The Select Board is to give not less than ten days' notice of such sales in a local newspaper, with a description of the properties to be sold. The Select Board is to allow delinquent taxpayers the opportunity to redeem their former property until such time as a bid is accepted from another person on the advertise day of sale, by paying back taxes, administrative costs, and interest to the date of sale.

Article 26: To see if the Town will adopt the amendments to Table 4-1 of the Mount Vernon Land Use Ordinance relating to timber harvesting.

Article 27: To see if the Town will adopt the amendment to Section 11(D) of the Mount Vernon Land Use Ordinance relating to fees.

Article 28: To see if the Town will adopt the proposed Food Sovereignty Ordinance (as recommended by the Board of Selectmen).

Article 29: To see if the Town will vote to raise and appropriate a sum for **The Family Violence Project.** (By Petition)

Requested: **\$2,075**

Article 30: To see if the Town will vote to raise and appropriate a sum for **Spectrum Generations, the Central Maine Area Agency on Aging.** (By Petition)

Requested: **\$950**

Article 31: To see if the Town will vote to raise and appropriate a sum for **30-Mile River Watershed Association.** (By Petition)

Requested: **\$2,500**

Article 32: To see if the Town will vote to raise and appropriate a sum for **Sexual Assault Crisis & Support Center.** (By Petition)

Requested: **\$574**

Article 33: To see if the Town will authorize the use of the revenues from the Ordinance Review Committee, the Planning Board, and the Appeals Board to help offset the expenditures of such departments.

Article 34: To see if the Town will vote to appropriate, from the Undesignated Fund balance, up to \$50,000 for Library Expansion.

Article 35: To see if the Town will vote to carry over any unspent balances as of June 30, 2017, from the Road Accounts, with the exception of the Construction account, to the Capital Improvement Road Construction Account.

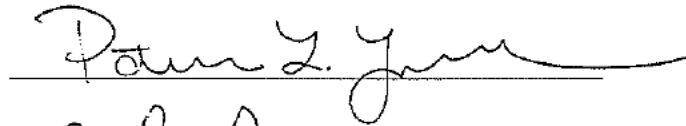

Article 36: To see if the Town will vote to increase the property tax levy limit of \$_____ established for the Town of Mount Vernon by State law in the event that the municipal budget approved under the preceding articles will result in a tax commitment that is greater than the property tax levy limit.

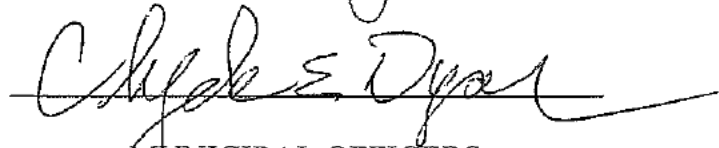

Article 37: To see if the Town will vote to increase the property tax levy limit only in the circumstance and only to the extent that projected State of Maine revenues for the fiscal year 2018-2019 including, but not limited to, municipal revenue sharing and homestead exemption reimbursement, are adjusted downwards between the annual Town Meeting and the date of commitment, and the result of those adjustments is that the property tax levy calculated at the date of commitment will be greater than the property tax levy calculated at the time of the annual Town Meeting.

Article 38: To see if the Town will vote to adjourn.

Given under our hands this 21st day of May, 2018:

 Chair

MUNICIPAL OFFICERS

Mount Vernon Select Board

1997 North Rd.

Mount Vernon, Me. 04352

Mount Vernon Resident
